Section 203. Prepayment Provisions for the Series 2018A Bonds. The Series 2018A Bonds are subject to redemption prior to maturity in accordance with the provisions set forth herein.

- (a) Optional Redemption.

- (i) The Series 2018A Bonds are subject to redemption prior to maturity as a whole or in part (in accordance with procedures of DTC, so long as OTC

or Cede & Co., as its nominee, is the Owner, and otherwise by lot in such manner as the Trustee in its discretion deems proper), on any Business Day on and after January 1, 2027, subject to applicable notice, at a Redemption Price equal to the principal amount thereof, without premium, plus accrued interest up to but not including the redemption date.

(b) Series 2018A Mandatory Redemption.

- (i) The Series 2018A Bonds stated to mature on January 1, 2043, bearing an interest rate of 5.000%, are subject to mandatory redemption to the extent of the Amortization Requirements therefor (less the principal amount of any such Series 2018A Bonds retired by purchase and otherwise subject to adjustment as provided in the Trust Agreement) on January 1 of the years and in the principal amounts shown below at a redemption price equal to the principal amount of such Series 2018A Bonds, plus accrued interest to the date of redemption:

<u>January 1</u>	<u>Amount</u>

2042	17,880,000
2043*	18,770,000

*Final Maturity

- (ii) The Series 2018A Bonds stated to mature on January 1, 2048, bearing an interest rate of 4.000%, are subject to mandatory redemption to the extent of the Amortization Requirements therefor (less the principal amount of any such Series 2018A Bonds retired by purchase and otherwise subject to adjustment as provided in the Trust Agreement) on January 1 of the years and in the principal amounts shown below at a redemption price equal to the principal amount of such Series 2018A Bonds, plus accrued interest to the date of redemption:

<u>January 1</u>	<u>Amount</u>
2044	\$19,715,000
2045	20,500,000
2046	21,320,000
2047	22,175,000
2048*	83,720,000

*Final Maturity

Redemption Notices. So long as DTC is the securities depository for the Series 2018A Bonds, the Trustee must mail redemption notices to DTC at least 30 days before the redemption date. If the Series 2018A Bonds are not held in book-entry-only form, then the Trustee must mail redemption notices directly to bondholders within the same time frame. A redemption of the Series 2018A Bonds is valid and effective even if DTC's procedures for notice

should fail. Beneficial owners should consider arranging to receive redemption notices or other communications from DTC affecting them, including notice of interest payments through DTC participants. Any notice of optional redemption may state that it is conditional upon receipt by the Trustee of money sufficient to pay the Redemption Price plus accrued interest to the date of redemption or upon the satisfaction of any other condition, or that it may be rescinded upon the occurrence of any other event, and any conditional notice so given may be rescinded at any time before the payment of the Redemption Price plus accrued interest to the date of redemption if any such condition so specified is not satisfied or if any such other event occurs. All redemptions are final - even if beneficial owners did not receive their notice, and even if that notice had a defect.

Redemption Process. If the Trustee gives an unconditional notice of redemption, then on the redemption date the Series 2018A Bonds called for redemption will become due and payable. If the Trustee gives a conditional notice of redemption and holds money to pay the Redemption Price plus accrued interest to the date of redemption of the affected Series 2018A Bonds and upon satisfaction of any other conditions provided for in such conditional notice of redemption, then on the redemption date the Series 2018A Bonds called for redemption will become due and payable. In either case, if on the redemption date the Trustee holds money to pay the Series 2018A Bonds called for redemption, thereafter, no interest will accrue on those Series 2018A Bonds, and a bondholder's only right will be to receive payment of the Redemption Price plus accrued interest to the date of redemption upon surrender of those Series 2018A Bonds.

Section 204. Application of the Proceeds of the Series 2018A Bonds.

Application of the Proceeds of the Series 2018A Bonds. The proceeds (including any premium) of the Series 2018A Bonds, and any other sources specified by the Director in an Officer's Certificate filed with the Trustee, shall be applied by the Trustee from time-to-time as follows:

- (i) The sum specified in said Officer's Certificate of the Director shall be deposited to the credit of a special checking account in its commercial department in the name of the Authority to be used by the Authority for the payment of expenses incident to the issuance of the Series 2018A Bonds or related to the Series 2018A Bonds, including as set forth in said Officer's Certificate. The Trustee shall be under no duty or obligation with respect to the disbursements by the Authority of such sum or any part thereof. The Authority shall pay such expenses by wire transfer or checks drawn on said special checking account and signed by any one of the officers or employees of the Authority who shall be designated by the Authority by resolution for such purpose, any balance of said sum not expended within four months from the date of delivery of said bonds shall be paid by the Authority to the Trustee for deposit to the credit of the Second Senior Bond Service Account.

- (ii) The Trustee shall deposit to the credit of the Second Senior Bond Reserve Account the amount, if any, specified by the Director to be the amount required, together with other available funds of the Authority, if any, to be deposited therein in order to make the amount to the credit of the Second Senior Bond Reserve Account equal to the Second Senior Bond Reserve Account Requirement.
- (iii) The balance of the proceeds of the Series 2018A Bonds shall be deposited by the Trustee to the credit of the Construction Fund and shall be applied to the payment of the cost of Turnpike Projects and Improvements, including contingency amounts therefor as recommended by the Consulting Engineer.

Upon the Authority's written direction, which shall specify all amounts to be disbursed pursuant to this Section and which shall be accompanied by Internal Revenue Service Form 8038-G referred to below, the Trustee shall pay to the federal government of the United States of America, out of amounts in the Series 2018A Bonds Rebate Fund:

(I) not later than 60 days after the end of the fifth Bond Year (as defined in the Arbitrage and Use of Proceeds Certificate) and not less frequently than once each five

years thereafter, an amount equal to at least 90% of the Rebate Amount (as defined in the Arbitrage and Use of Proceeds Certificate); and

(2) not later than 60 days after retirement of all of the Series 2018A Bonds an amount equal to 100% of the Rebate Amount (determined as of the date of the retirement of all of such bonds).

In the event that, prior to the time of any required payment out of the Series 2018A Bonds Rebate Fund, the amount in the Series 2018A Bonds Rebate Fund is not sufficient to make such payment when such payment is due, the Authority shall transfer or cause to be transferred to the Trustee an amount equal to such deficiency, and the Trustee shall immediately deposit such amount to the credit of the Series 2018A Bonds Rebate Fund, prior to the time such payment is due. In the event that the amount on deposit in the Series 2018A Bonds Rebate Fund exceeds the Rebate Amount, the Authority shall instruct the Trustee to withdraw such amount and deposit it in the Revenue Fund. Each payment required to be made to the federal government of the United States of America pursuant to this paragraph shall be made to the Internal Revenue Service Center, Ogden, Utah 84201 or such other address as the Authority may designate to the Trustee on or before the date such payment is due, and shall be accompanied by a statement summarizing the determination of the amount required to be paid pursuant to this paragraph and by a copy of the Internal Revenue Service Form 8038-G prepared by or on behalf of the Authority filed with respect to the Series 2018A Bonds.

(c) For purposes of crediting amounts to the Series 2018A Bonds Rebate Fund or withdrawing amounts from the Series 2018A Bonds Rebate Fund, Nonpurpose Investments (as defined in the related Arbitrage and Use of Proceeds Certificate) shall be valued in the manner provided in the Arbitrage and Use of Proceeds Certificate.

- (i) the Trustee shall not be entitled to reimburse itself from the Series 2018A Bonds Rebate Fund for the costs and expenses, outlay and counsel fees and other reasonable disbursements properly incurred in connection with its beginning suit, or appearing in or defending suit or doing anything else in its judgment proper to be done by it as Trustee in the execution of the trusts created by the Trust Agreement or this Sixteenth Supplemental Trust Agreement or in the enforcement of any rights or powers thereunder or hereunder, and

Oklahoma Turnpike Authority, a body corporate and politic and an instrumentality of the State of Oklahoma (herein sometimes called the "Authority"), duly created by the Enabling Act (hereinafter mentioned), for value received, promises to pay, but solely from the special fund provided therefor as hereinafter set forth and in the manner hereinafter provided, to the Registered Owner named above, or registered assigns, on the Maturity Date set forth above (or earlier as hereinafter referred to), upon the presentation and surrender hereof, at the principal corporate trust office of BOKF, NA in the City of Oklahoma City (the "Trustee" and "Bond Registrar"), the Principal Amount set forth above in any coin or currency of the United States of America which on the date of payment thereof is legal tender for the payment of public and private debts, and to pay in like coin or currency interest on said Principal Amount on each January 1 and July 1, commencing January 1, 2019, solely from such sources, from the date hereof or the January 1 or July 1 next preceding the date on which this bond is authenticated unless it is authenticated on a January 1 or July 1, in which event from such date, at the Interest Rate set forth above until the Principal Amount hereof is paid. The interest so payable and punctually paid or duly provided for on any interest payment date will, as provided in the Agreement hereinafter referred to, be paid by check mailed to the person in whose name this bond (or one or more predecessor bonds, as defined in the Agreement) is registered at the close of business on the regular record date for such interest, which shall be the June 15 or December 15 (whether or not a business day) next preceding such interest payment date. Any such interest not so punctually paid or duly provided for shall forthwith cease to be payable to the Registered Owner on such regular record date, and may be paid to the person in whose name this bond or any predecessor bond is registered at the close of business on a special record date for the payment of such defaulted interest to be fixed by the Trustee hereinafter referred to,

notice whereof *being* given by the Trustee by mail to the registered owners not less than IO days prior to such special record date, or may be paid at any time in any other lawful manner not inconsistent with the requirements of any securities exchange on which the bonds of this series may be listed and upon such notice as may be required by such exchange, or as more fully provided in the Agreement. Such payment of interest shall be by check mailed to the Registered Owner at such owners address as it appears on the bond registration books of the Authority maintained by the Bond Registrar and shall be made in any coin or currency of the United States of America which on the date of payment thereof is legal tender for the payment of public and private debts.

This bond shall not be deemed to constitute a debt of the State of Oklahoma or of any political subdivision thereof or a pledge of the faith and credit of the State of Oklahoma or of any such political subdivision. Neither the State of Oklahoma nor the Authority shall be obligated to pay this bond or the interest hereon except from the special fund provided therefor from tolls and revenues of the Oklahoma Turnpike System (hereinafter defined), including motor fuel excise taxes apportioned to the Authority under the provisions of the Enabling Act for deposit in a special trust fund and pledged for the payment of such principal and interest, and neither the faith and credit nor the taxing power of the State of Oklahoma or of any political subdivision thereof is pledged, or may hereafter be pledged, to the payment of the principal or the interest on this bond.

This bond is one of a duly authorized series of revenue bonds of the Authority aggregating THREE HUNDRED FORTY-FOUR MILLION THREE HUNDRED TEN THOUSAND Dollars (\$344,310,000) in principal amount, designated as "Oklahoma Turnpike Authority Oklahoma Turnpike System Second Senior Revenue Bonds, Series 2018A" (herein called the "Series 2018A Bonds"), dated October 31, 2018 consisting of bonds maturing in annual installments on the 1st day of January in the years 2032 through 2048, and issued for the purpose of providing funds, with other available funds, to pay capital costs of the Turnpike Projects and Improvements, satisfy the Second Senior Bond Reserve Account Requirement and funding costs of issuance therefor.

All of the bonds are issued under and pursuant to a trust agreement (said agreement, together with all agreements supplemental thereto as therein permitted, being herein called the "Agreement"), dated as of the 1st day of February 1989, by and between the Authority and BOKF, NA, or its predecessor trustees, in Oklahoma City, Oklahoma (said national bank and any bank, banking association or trust company becoming successor trustee under the Agreement being herein called the "Trustee"), an executed counterpart of which Agreement is on file at the principal corporate trust office of the Trustee. Reference is hereby made to the Agreement for the provisions, among others, with respect to the custody and application of the proceeds of bonds issued under the Agreement, the collection and disposition of revenues, the funds charged with and pledged to the payment of the interest on and the principal and premium, if any, of the bonds, the nature and extent of the security, the terms and conditions on which the bonds of each series are or may be issued, the rights, duties and obligations of the Authority, the Trustee and the Bond Registrar for the Series 2018A Bonds and the rights of the registered owners of the bonds and, by the acceptance of this bond the registered owner hereof assents to all of the provisions of the Agreement.

The Agreement provides for the issuance, from time to time, under the conditions, limitations and restrictions therein set forth, of additional series of bonds and other indebtedness on a parity with the Series 2018A Bonds for the purposes authorized therein (such bonds, other indebtedness and the Series 2018A Bonds being herein collectively called the "bonds").

This bond is issued and the Agreement was made and entered into under and pursuant to the Constitution and laws of the State of Oklahoma, particularly Title 69, Oklahoma Statutes 2011 Sections 1701 through 1734, as amended, (herein called the "Enabling Act"), and under and pursuant to resolutions duly adopted by the Authority.

The Agreement, in accordance with and as required by the Enabling Act, provides for the fixing, revising, charging and collecting by the Authority of tolls for the use or services of the Oklahoma Turnpike System and the different parts and sections thereof and for revising such tolls from time to time in order that such tolls and other revenues will be sufficient to provide funds to pay the cost of maintaining, repairing and operating the Oklahoma Turnpike System and to pay the principal of and the interest on all bonds issued under the Agreement as the same shall become due and payable, and to create and maintain reserves for such purposes. The Agreement also provides for the deposit of a sufficient amount of such tolls and other revenues, over and above such cost of maintenance, repair and operation, and reserves for such purposes, and after making the required deposits to provide for the payment of the principal of and interest on all second senior bonds issued under the Agreement as the same become due and payable and the required reserves therefor, to the credit of a special account designated "Second Senior Bond Service Account" (herein called the "Second Senior Bond Service Account") to pay such principal and interest. The Second Senior Bond Service Account is pledged to and charged with the payment of the principal of and the interest on all bonds issued under the Agreement to the extent provided in the Agreement.

The Series 2018A Bonds are issuable as registered bonds without coupons in the denomination of \$5,000 or any whole multiple thereof. At the principal corporate trust office of the Bond Registrar, in the manner and subject to the limitations and conditions provided in the Agreement, Series 2018A Bonds may, upon presentation and surrender, be exchanged for an equal aggregate principal amount of second senior bonds of the same series and maturity, of authorized denominations and bearing interest at the same rate.

The transfer of this bond is registrable by the registered owner hereof in person or by his attorney or legal representative at the principal corporate trust office of the Bond Registrar *only* in the manner and subject to the limitations and conditions provided in the Agreement and upon surrender and cancellation of this bond. Upon any such registration of transfer the Authority shall execute and the Bond Registrar shall authenticate and deliver in exchange for this bond a new bond or bonds registered in the name of the transferee, of authorized denominations, in an aggregate principal amount equal to the principal amount of this bond, of the same series and maturity and bearing interest at the same rate. Neither the Authority nor the Bond Registrar shall be required to make any exchange or to register the transfer of any bond during the fifteen (15) days immediately preceding the date of the Authority's giving notice of redemption or after such bond has been selected for redemption.

The Series 2018A Bonds are subject to redemption prior to maturity as a whole or in part (in accordance with procedures of DTC, so long as DTC or Cede & Co., as its nominee, is the Owner, and otherwise by lot in such manner as the Trustee in its discretion deems proper), on any Business Day on or after January 1, 2027, subject to applicable notice, at a Redemption Price equal to the principal amount thereof, without premium, plus accrued interest up to but not including the redemption date.

The Series 2018A Bonds stated to mature on January 1, 2043, bearing an interest rate of 5.000%, are subject to mandatory redemption to the extent of the Amortization Requirements therefor (less the principal amount of any such Series 2018A Bonds retired by purchase and otherwise subject to adjustment as provided in the Trust Agreement) on January 1 of the years and in the principal amounts shown below at a redemption price equal to the principal amount of such Series 201SA Bonds, plus accrued interest to the date of redemption:
