Interest on the Series 2007A Bonds shall be payable semiannually on the 1st days of January and July in each year to maturity, commencing January 1, 2008.

Section 203. Redemption Provisions for the Series 2007A Bonds.

Redemption. The Series 2007A Bonds are subject to redemption prior to maturity in accordance with the provisions set forth herein.

Optional Redemption. The Series 2007A Bonds maturing on or after January 1, 2018, are subject to redemption prior to maturity as a whole or in part (in accordance with procedures of DTC, so long as DTC or Cede & Co., as its nominee, is the Owner, and otherwise by lot in such manner as the Trustee in its discretion deems proper), on any Business Day on or after January 1, 2017, subject to applicable notice, at a Redemption Price equal to the principal amount thereof, without premium, plus accrued interest up to but not including the redemption date.

Redemption Notices. So long as DTC is the securities depository for the Series 2007A Bonds, the Trustee must mail redemption notices to DTC at least 30 days before the redemption date. If the Series 2007A Bonds are not held in book-entry-only form, then the Trustee must mail redemption notices directly to bondholders within the same time frame. A redemption of the Series 2007A Bonds is valid and effective even if DTC's procedures for notice should fail. Beneficial owners should consider arranging to receive redemption notices or other communications to DTC affecting them, including notice of interest payments through DTC participants. Any notice of optional redemption may state that it is conditional upon receipt by the Trustee of money sufficient to pay the Redemption Price or upon the satisfaction of any other condition, or that it may be rescinded upon the occurrence of any other event, and any conditional notice so given may be rescinded at any time before the payment of the Redemption Price if any such condition so specified is not satisfied or if any such other event occurs. Please note that all redemptions are final - even if beneficial owners did not receive their notice, and even if that notice had a defect.

Redemption Process. If the Trustee gives an unconditional notice of redemption, then on the redemption date the Series 2007A Bonds called for redemption will become due and payable. If the Trustee gives a conditional notice of redemption and holds money to pay the Redemption Price of the affected Series 2007A Bonds, then on the redemption date the Series 2007A Bonds called for redemption will become due and payable. In either case, if on the redemption date the Trustee holds money to pay the Series 2007A Bonds called for redemption, thereafter, no interest will accrue on those Series 2007A Bonds, and a bondholder's only right

will be to receive payment of the Redemption Price upon surrender of those Series 2007A Bonds.

Section 204. Application of the Proceeds of the Series 2007A Bonds. The proceeds (including any premium) of the Series 2007A Bonds, and any other sources specified by the Director in an Officer's Certificate filed with the Trustee, shall be applied by the Trustee simultaneously with the delivery of the Series 2007A Bonds as follows:

(a) The sum specified in said Certificate of the Director shall be deposited to the credit of a special checking account in its commercial department in the name of the Authority to be used by the Authority for the payment of expenses incident to the issuance of the Series 2007A Bonds or related to the Series 2007A Bonds, including as set forth in said Certificate. The Trustee shall be under no duty or obligation with respect to the disbursements by the Authority of such sum or any part thereof. The Authority shall pay such expenses by wire transfer or checks drawn on said special checking account and signed by any one of the officers or employees of the Authority who shall be designated by the Authority by resolution for such purpose, any balance of said sum not expended within four months from the date of delivery of said bonds shall be paid by the Authority to the Trustee for deposit to the credit of the Second Senior Bond Service Account.

(b) Pursuant to written instructions from the Director, the Trustee shall deposit, in trust, with an escrow deposit agent or agents, under an escrow deposit agreement or agreements, between the Authority and said escrow deposit agent or agents, an amount that the Director shall have certified to the Trustee is sufficient, together with other available moneys of the Authority specified therein, to provide the cash deposits, if any, specified in said escrow deposit agreement or agreements that will be sufficient, to purchase Defeasance Obligations the principal of and the interest on which when due and payable will provide, together with any uninvested cash, sufficient moneys for paying the Refunded Bonds, at the respective date fixed for redemption, any redemption premiums thereon and the interest to accrue thereon to said maturity or redemption date as specified in said escrow deposit agreement or agreements.

(c) The Trustee shall deposit to the credit of the Second Senior Bond Reserve Account the amount, if any, specified by the Director to be the amount required, together with other available funds of the Authority, to be deposited therein in order to make the amount to the credit of the Second Senior Bond Reserve Account equal to the Second Senior Bond Reserve Account Requirement.

(d) The balance of the proceeds of the Series 2007A Bonds shall be transferred to the Depository therefor who shall deposit said balance to the credit of the Second Senior Bond Service Account.

ARTICLE III

Amounts required to be rebated to the United States shall not be subject to any lien or charge in favor of the owners of the bonds issued and outstanding hereunder or under the Trust Agreement. Amounts held to the credit of the Series 2007A Bonds Rebate Fund shall be invested and applied in accordance with the Arbitrage and Use of Proceeds Certificate.

(b) Any funds remaining in the Series 2007A Bonds Rebate Fund and any amounts described in clause (2) of this paragraph (b) after the retirement of all of the second senior bonds or provision made therefor satisfactory to the Trustee, including payment of any applicable fees to the Trustee and satisfaction of the Rebate Requirement, shall upon written request of the Authority be withdrawn by the Trustee and remitted to the Authority.

Upon the Authority's written direction, which shall specify all amounts to be disbursed pursuant to this Section and which shall be accompanied by Internal Revenue Service Form 8038-G referred to below, the Trustee shall pay to the United States, out of amounts in the Series 2007A Bonds Rebate Fund.

(2) not later than 60 days after retirement of all of the Series 2007A Bonds an amount equal to 100% of the Rebate Amount (determined as of the date of the retirement of all of such bonds).

In the event that, prior to the time of any required payment out of the Series 2007A Bonds Rebate Fund, the amount in the Series 2007A Bonds Rebate Fund is not sufficient to make such payment when such payment is due, the Authority shall transfer or cause to be transferred to the Trustee an amount equal to such deficiency, and the Trustee shall immediately deposit such amount to the credit of the Rebate Fund prior to the time such payment is due. In the event that the amount on deposit in the Rebate Fund exceeds the Rebate Amount, the Authority shall instruct the Trustee to withdraw such amount and deposit it in the Revenue Fund. Each payment required to be made to the United States pursuant to this paragraph shall be made to the Internal Revenue Service Center, Philadelphia, Pennsylvania 19255 or such other address

as the Authority may designate to the Trustee on or before the date such payment is due, and shall be accompanied by a statement summarizing the determination of the amount required to be paid pursuant to this paragraph and by a copy of the Internal Revenue Service Form 8038-G prepared by or on behalf of the Authority filed with respect to the first senior bonds, the second senior bonds and the subordinated bonds.

(c) For purposes of crediting amounts to the Series 2007A Bonds Rebate Fund or withdrawing amounts from the Series 2007A Bonds Rebate Fund, Nonpurpose Investments shall be valued in the manner provided in the Arbitrage and Use of Proceeds Certificate.

(2) the Trustee shall not be entitled to make any payment to itself by virtue of Section 905 of the Trust Agreement from any moneys held to the credit of the Series 2007A Bonds Rebate Fund.

Neither the Authority nor the Trustee shall apply moneys held to the credit of the Senior Bond Sinking Fund to the payment of any amounts required to be disbursed pursuant to this Section 302.

ARTICLE IV

MISCELLANEOUS

Section 401. Provisions Relating to Bond Insurer.

Notwithstanding anything in the Trust Agreement to the contrary, the following provisions are hereby made applicable with respect to the Series 2007A Bonds (unless otherwise agreed by FSA):

(a) "Insurance Policy" shall be defined as follows: "the insurance policy issued by the Insurer guaranteeing the scheduled payment of principal of and interest on the Bonds when due". "Insurer" shall be defined as follows: "Financial Security Assurance Inc., a New York stock insurance company, or any successor thereto or assignee thereof".

(b) The prior written consent of the Insurer shall be a condition precedent to the deposit of any credit instrument provided in lieu of a cash deposit into the Second Senior Bond Reserve Account.

(c) The Insurer shall be deemed to be the sole holder of the Series 2007A Bonds for the purpose of exercising any voting right or privilege or giving any consent or direction or taking any other action that the holders of the Bonds insured by it are entitled to take pursuant to the article of the Trust Agreement pertaining to (i) defaults and remedies and (ii) the duties and obligations of the Trustee. Remedies granted to the holders of the Bonds shall expressly include mandamus.

(d) The security for the Bonds shall include a pledge of any agreement with any underlying obligor that is a source of payment for the Bonds and a default under any such agreement shall constitute an Event of Default under the Trust Agreement.

(e) The maturity of Bonds insured by the Insurer shall not be accelerated without the consent of the Insurer and in the event the maturity of the Bonds is accelerated, the Insurer may elect, in its sole discretion, to pay accelerated principal and interest accrued, on such principal to the date of acceleration (to the extent unpaid by the Authority) and the Trustee shall be required to accept such amounts. Upon payment of such accelerated principal and interest accrued to the acceleration date as provided above, the Insurer's obligations under the Insurance Policy with respect to such Bonds shall be fully discharged.

(f) No grace period for a covenant default shall exceed 30 days or be extended for more than 60 days, without the prior written consent of the Insurer. No grace period shall be permitted for payment defaults.

(g) The Insurer is as a third party beneficiary to the Trust Agreement.

(h) Upon the occurrence of an extraordinary optional, special or extraordinary mandatory redemption in part, the selection of Bonds to be redeemed shall be subject to the approval of the Insurer. The exercise of any provision of the Trust Agreement which permits the purchase of Bonds in lieu of redemption shall require the prior written approval of the Insurer if any Bond so purchased is not cancelled upon purchase.

(i) Any amendment, supplement, modification to, or waiver of, the Trust Agreement or any other transaction document, including any underlying security agreement (each a "Related Document"), that requires the consent of owners of the Bonds or adversely affects the rights and interests of the Insurer shall be subject to the prior written consent of the Insurer.

(j) The rights granted to the Insurer under the Trust Agreement or any other Related Document to request, consent to or direct any action are rights granted to the Insurer in consideration of its issuance of the Insurance Policy. Any exercise by the Insurer of such rights is merely an exercise of the Insurer's contractual rights and shall not be construed or deemed to be taken for the benefit, or on behalf, of the holders of the Bonds and such action does not evidence any position of the Insurer, affirmative or negative, as to whether the consent of the owners of the Bonds or any other person is required in addition to the consent of the Insurer.

(k) Only (1) cash, (2) non-callable direct obligations of the United States of America ("Treasuries"), (3) evidences of ownership of proportionate interests in future interest

and principal payments on Treasuries held by a bank or trust company as custodian, under which the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor and the underlying Treasuries are not available to any person claiming through the custodian or to whom the custodian may be obligated, (4) subject to the prior written consent of the Insurer, pre-refunded municipal obligations rated "AAA" and "Aaa" by S&P and Moody's, respectively, or (5) subject to the prior written consent of the Insurer, securities eligible for "AAA" defeasance under then existing criteria of S&P or any combination thereof, shall be used to effect defeasance of the Bonds unless the Insurer otherwise approves.

To accomplish defeasance, the Authority shall cause to be delivered (i) a report of an independent firm of nationally recognized certified public accountants or such other accountant as shall be acceptable to the Insurer ("Accountant") verifying the sufficiency of the escrow established to pay the Bonds in full on the maturity or redemption date ("Verification"), (ii) an escrow agreement (which shall be acceptable in form and substance to the Insurer), (iii) an opinion of nationally recognized bond counsel to the effect that the Bonds are no longer "Outstanding" under the Trust Agreement and (iv) a certificate of discharge of the Trustee with respect to the Bonds; each Verification and defeasance opinion shall be acceptable in form and substance, and addressed, to the Authority, Trustee and Insurer. The Insurer shall be provided with final drafts of the above-referenced documentation not less than five business days prior to the funding of the escrow.

Bonds shall be deemed "Outstanding" under the Trust Agreement unless and until they are in fact paid and retired or the above criteria are met.

(l) Amounts paid by the Insurer under the Insurance Policy shall not be deemed paid for purposes of the Trust Agreement and the Bonds relating to such payments shall remain Outstanding and continue to be due and owing until paid by the Authority in accordance with the Trust Agreement. The Trust Agreement shall not be discharged unless all amounts due or to become due to the Insurer have been paid in full or duly provided for.

(m) The Authority covenants and agrees to take such action (including, as applicable, filing of UCC financing statements and continuations thereof) as is necessary from time to time to preserve the priority of the pledge of the Trust Estate under applicable law.

(n) Claims Upon the Insurance Policy and Payments by and to the Insurer.

If, on the third Business Day prior to the related scheduled interest payment date or principal payment date ("Payment Date") there is not on deposit with the Trustee, after making all transfers and deposits required under the Trust Agreement, moneys sufficient to pay the principal of and interest on the Bonds due on such Payment Date, the Trustee shall give notice to the Insurer and to its designated agent (if any) (the "Insurer's Fiscal Agent") by telephone or teletype of the amount of such deficiency by 12:00 noon, New York City time, on such Business Day. If, on the second Business Day prior to the related Payment Date, there continues to be a deficiency in the amount available to pay the principal of and interest on the Bonds due on such Payment Date, the Trustee shall make a claim under the Insurance Policy and give notice to the Insurer and the Insurer's Fiscal Agent (if any) by telephone of the amount of such deficiency, and the allocation of such deficiency between the amount required to pay

interest on the Bonds and the amount required to pay principal of the Bonds, confirmed in writing to the Insurer and the Insurer's Fiscal Agent by 12:00 noon, New York City time, on such second Business Day by filling in the form of Notice of Claim and Certificate delivered with the Insurance Policy.

The Trustee shall designate any portion of payment of principal on Bonds paid by the Insurer, whether by virtue of mandatory sinking fund redemption, maturity or other advancement of maturity, on its books as a reduction in the principal amount of Bonds registered to the then current holder of the Bond, whether DTC or its nominee or otherwise, and shall issue a replacement Bond to the Insurer, registered in the name of Financial Security Assurance Inc., in a principal amount equal to the amount of principal so paid (without regard to authorized denominations); provided that the Trustee's failure to so designate any payment or issue any replacement Bond shall have no effect on the amount of principal or interest payable by the Authority on any Bond or the subrogation rights of the Insurer.

The Trustee shall keep a complete and accurate record of all funds deposited by the Insurer into the Policy Payments Account (defined below) and the allocation of such funds to payment of interest on and principal of any Bond. The Insurer shall have the right to inspect such records at reasonable times upon reasonable notice to the Trustee.

Upon payment of a claim under the Insurance Policy, the Trustee shall establish a separate special purpose trust account for the benefit of holders of the Bonds referred to herein as the "Policy Payments Account" and over which the Trustee shall have exclusive control and sole right of withdrawal. The Trustee shall receive any amount paid under the Insurance Policy in trust on behalf of holders of the Bonds and shall deposit any such amount in the Policy Payments Account and distribute such amount only for purposes of making the payments for which a claim was made. Such amounts shall be disbursed by the Trustee to holders of the Bonds in the same manner as principal and interest payments are to be made with respect to the Bonds under the sections hereof regarding payment of Bonds. It shall not be necessary for such payments to be made by checks or wire transfers separate from the check or wire transfer used to pay debt service with other funds available to make such payments. Notwithstanding anything herein to the contrary, the Authority agrees to pay to the Insurer (i) a sum equal to the total of all amounts paid by the Insurer under the Insurance Policy (the "Insurer Advances"); and (ii) interest on such Insurer Advances from the date paid by the Insurer until payment thereof in full, payable to the Insurer at the Late Payment Rate per annum (collectively, the "Insurer Reimbursement Amounts"). "Late Payment Rate" means the lesser of (a) the greater of (i) the per annum rate of interest, publicly announced from time to time by JPMorgan Chase Bank at its principal office in The City of New York, as its prime or base lending rate (any change in such rate of interest to be effective on the date such change is announced by JPMorgan Chase Bank) plus 3%, and (ii) the then applicable highest rate of interest on the Bonds and (b) the maximum rate permissible under applicable usury or similar laws limiting interest rates. The Late Payment Rate shall be computed on the basis of the actual number of days elapsed over a year of 360 days. The Authority hereby covenants and agrees that the Insurer Reimbursement Amounts are secured by a lien and pledge of the Trust Agreement and payable from such Trust Agreement on a parity with debt service due on the Bonds.

Funds held in the Policy Payments Account shall not be invested by the Trustee and may not be applied to satisfy any costs, expenses or liabilities of the Trustee. Any funds remaining in the Policy Payments Account following a Bond payment date shall promptly be remitted to the Insurer.

(o) The Insurer shall, to the extent it makes any payment of principal of or interest on the Bonds, become subrogated to the rights of the recipients of such payments in accordance with the terms of the Insurance Policy. Each obligation of the Authority to the Insurer under the Related Documents shall survive discharge or termination of such Related Documents.

(p) The Authority shall pay or reimburse the Insurer any and all charges, fees, costs and expenses that the Insurer may reasonably pay or incur in connection with (i) the administration, enforcement, defense or preservation of any rights or security in any Related Document, (ii) the pursuit of any remedies under the Trust Agreement or any other Related Document or otherwise afforded by law or equity, (iii) any amendment, waiver or other action with respect to, or related to, the Trust Agreement or any other Related Document whether or not executed or completed, or (iv) any litigation or other dispute in connection with the Trust Agreement or any other Related Document or the transactions contemplated thereby, other than costs resulting from the failure of the Insurer to honor its obligations under the Insurance Policy. The Insurer reserves the right to charge a reasonable fee as a condition to executing any amendment, waiver or consent proposed in respect of the Trust Agreement or any other Related Document.

(q) After payment of reasonable expenses of the Trustee, the application of funds realized upon default shall be applied to the payment of expenses of the Authority or rebate only after the payment of past due and current debt service on the Bonds and amounts required to restore the Second Senior Bond Reserve Account to the Second Senior Bond Reserve Account Requirement.

(r) The Insurer shall be entitled to pay principal or interest on the Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Authority (as such terms are defined in the Insurance Policy) and any amounts due on the Bonds as a result of acceleration of the maturity thereof in accordance with the Trust Agreement, whether or not the Insurer has received a Notice of Nonpayment (as such term is defined in the Insurance Policy) or a claim upon the Insurance Policy.

(s) The notice address of the Insurer is: Financial Security Assurance Inc., 31 West 52nd Street, New York, New York 10019, Attention: Managing Director - Surveillance, Re: Policy No. 208644N, Telephone: (212) 826-0100; Telecopier: (212) 339-3556. In each case in which notice or other communication refers to an Event of Default, then a copy of such notice or other communication shall also be sent to the attention of the General Counsel and shall be marked to indicate "URGENT MATERIAL ENCLOSED."

(t) The Insurer shall be provided with the following information by the Authority or Trustee, as the case may be:

(i) Annual audited financial statements within 150 days after the end of the Authority's fiscal year (together with a certification of the Authority that it is not aware of any default or Event of Default under the Trust Agreement), and the Authority's annual budget within 30 days after the approval thereof together with such other information, data or reports as the Insurer shall reasonably request from time to time;

(ii) Notice of any draw upon the Second Senior Bond Reserve Account within two Business Days after knowledge thereof other than (i) withdrawals of amounts in excess of the Second Senior Bond Reserve Account Requirement or (ii) withdrawals in connection with a refunding of Bonds;

(iii) Notice of any default known to the Trustee or Authority within five Business Days after knowledge thereof;

(iv) Prior notice of the advance refunding or redemption of any of the Bonds, including the principal amount, maturities and CUSIP numbers thereof;

(v) Notice of the resignation or removal of the Trustee and Bond Registrar and the appointment of, and acceptance of duties by, any successor thereto;

(vi) Notice of the commencement of any proceeding by or against the Authority commenced under the United States Bankruptcy Code or any other applicable bankruptcy, insolvency, receivership, rehabilitation or similar law (an "Insolvency Proceeding");

(vii) Notice of the making of any claim in connection with any Insolvency Proceeding seeking the avoidance as a preferential transfer of any payment of principal of, or interest on, the Bonds;

(viii) A full original transcript of all proceedings relating to the execution of any amendment, supplement, or waiver to the Related Documents; and

(ix) All reports, notices and correspondence to be delivered to holders of the Bonds under the terms of the Related Documents.

(u) Notwithstanding satisfaction of the other conditions to the issuance of Additional Bonds set forth in the Trust Agreement, no such issuance may occur (1) if an Event of Default (or any event which, once all notice or grace periods have passed, would constitute an Event of Default) exists unless such default shall be cured upon such issuance and (2) unless the Second Senior Bond Reserve Account is fully funded at the Second Senior Bond Reserve Account Requirement (including the proposed issue) upon the issuance of such Additional Bonds, in either case unless otherwise permitted by the Insurer.

(v) In determining whether any amendment, consent, waiver or other action to be taken, or any failure to take action, under the Trust Agreement would adversely affect the security for the Bonds or the rights of the holders of the Bonds, the Trustee shall consider the

effect of any such amendment, consent, waiver, action or inaction as if there were no Insurance Policy.

(w) No contract shall be entered into or any action taken by which the rights of the Insurer or security for or sources of payment of the Bonds may be impaired or prejudiced in any material respect except upon obtaining the prior written consent of the Insurer.

(x) There shall be delivered an opinion of Bond Counsel addressed to the Insurer (or a reliance letter relating thereto), or a certificate of discharge of the trustee for the Refunded Bonds, to the effect that, upon the making of the required deposit to the escrow, the legal defeasance of the Refunded Bonds shall have occurred.

Section 402. Form of Bonds. The form of Series 2007A Bonds, the form of the certificate of authentication thereof, the form of endorsement to appear thereon and the form of assignment thereof shall be substantially in the form set forth on **Exhibit A** attached hereto, with appropriate variations, omissions and insertions as permitted or required by this Ninth Supplemental Trust Agreement.

Section 403. Authentication. (a) The Trustee shall be the authenticating agent for the Series 2007A Bonds.

The certificate of authentication on any Bond shall be deemed to have been executed by the Trustee as authorized hereby if signed by an authorized signatory of the Trustee, but it shall not be necessary that the same signatory execute the certificate of authentication on all of the Bonds.

Section 404. Trustee to Perform Duties of Bond Registrar. The Trustee accepts and agrees to execute the trusts imposed upon it as Bond Registrar under the Trust Agreement and this Ninth Supplemental Trust Agreement, but only upon the terms and conditions set forth in the Trust Agreement and subject to the provisions of the Trust Agreement, to all of which the parties hereto and the owners of the Outstanding second senior bonds agree.

(b) Under the laws of the State of Oklahoma, (i) such pledge, (ii) and each pledge, assignment, lien, or other security interest made to secure any prior obligations of the Authority which, by the terms of the Trust Agreement, rank on a parity with the pledge granted hereby, is and shall be prior to any judicial lien hereafter imposed on such collateral to enforce a

judgment against the Authority on a simple contract, and (iii) by the date of issue of the Series 2007A Bonds, the Authority will have filed all financing statements describing, and transferred such possession or control over, such collateral (and for so long as any Series 2007A Bond is outstanding the Authority will file, continue, and amend all such financing statements and transfer such possession and control) as may be necessary to establish and maintain such priority in each jurisdiction in the State of Oklahoma.

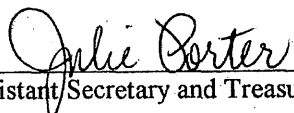

(c) The Authority has not heretofore made a pledge of, granted a lien on or security interest in, or made an assignment or sale of such collateral that ranks on a parity with or prior to the pledge granted by the Trust Agreement, except for the pledge granted under the Trust Agreement to secure the Senior Indebtedness outstanding upon issuance of the Series 2007A Bonds. The Authority has not described such collateral in a Uniform Commercial Code financing statement that will remain effective when the Series 2007A Bonds are issued, except in connection with the foregoing pledges, assignments, liens, and security interest and the pledge securing any subordinate bonds outstanding under the Trust Agreement. The Authority shall not hereafter make any pledge or assignment of, lien on, or security interest in such collateral that ranks prior to or on a parity with the pledge granted by the Trust Agreement, or file any financing statement describing any such pledge, assignment, lien, or security interest, except as expressly permitted by the Trust Agreement.

Registered Owner: Cede & Co.

Principal Amount:

Oklahoma Turnpike Authority, a body corporate and politic and an instrumentality of the State of Oklahoma (herein sometimes called the "Authority"), duly created by the Enabling Act (hereinafter mentioned), for value received, promises to pay, but solely from the special fund provided therefor as hereinafter set forth and in the manner hereinafter provided, to the Registered Owner named above, or registered assigns, on the Maturity Date set forth above (or earlier as hereinafter referred to), upon the presentation and surrender hereof, at the principal corporate trust office of Bank of Oklahoma, National Association in the City of Oklahoma City (the "Trustee"), the Principal Amount set forth above in any coin or currency of the United States of America which on the date of payment thereof is legal tender for the payment of public and private debts, and to pay in like coin or currency interest on said Principal Amount on each January 1 and July 1, commencing January 1, 2008, solely from such sources, from the date hereof or the January 1 or July 1 next preceding the date on which this bond is authenticated unless it is authenticated on a January 1 or July 1, in which event from such date, at the Interest Rate set forth above until the Principal Amount hereof is paid. The interest so payable and punctually paid or duly provided for on any interest payment date will, as provided in the Agreement hereinafter referred to, be paid by check mailed to the person in whose name this bond (or one or more predecessor bonds, as defined in the Agreement) is registered at the close of business on the regular record date for such interest, which shall be the June 15 or December 15 (whether or not a business day) next preceding such interest payment date. Any such interest not so punctually paid or duly provided for shall forthwith cease to be payable to the Registered Owner on such regular record date, and may be paid to the person in whose name this bond or any predecessor bond is registered at the close of business on a special record date for the payment of such defaulted interest to be fixed by the Trustee hereinafter referred to, notice whereof being given by the Trustee by mail to the registered owners not less than 10 days prior to such special record date, or may be paid at any time in any other lawful manner not

inconsistent with the requirements of any securities exchange on which the bonds of this series may be listed and upon such notice as may be required by such exchange, or as more fully provided in the Agreement. Such payment of interest shall be by check mailed to the Registered Owner at such owners address as it appears on the bond registration books of the Authority maintained by the Bond Registrar and shall be made in any coin or currency of the United States of America which on the date of payment thereof is legal tender for the payment of public and private debts.

This bond shall not be deemed to constitute a debt of the State of Oklahoma or of any political subdivision thereof or a pledge of the faith and credit of the State of Oklahoma or of any such political subdivision. Neither the State of Oklahoma nor the Authority shall be obligated to pay this bond or the interest hereon except from the special fund provided therefor from tolls and revenues of the Oklahoma Turnpike System (hereinafter defined), including motor fuel excise taxes apportioned to the Authority under the provisions of the Enabling Act for deposit in a special trust fund and pledged for the payment of such principal and interest, and neither the faith and credit nor the taxing power of the State of Oklahoma or of any political subdivision thereof is pledged, or may hereafter be pledged, to the payment of the principal of or the interest on this bond.

This bond is one of a duly authorized series of revenue bonds of the Authority aggregating Forty-Five Million Six Hundred Eighty Thousand Dollars (\$45,680,000) in principal amount, designated as "Oklahoma Turnpike Authority Oklahoma Turnpike System Refunding Second Senior Revenue Bonds, Series 2007A" (herein called the "Series 2007A Bonds"), dated June 6, 2007 consisting of bonds maturing in annual installments on the 1st day of January in the years 2009 through 2022, inclusive, and issued for the purpose of providing funds, with other available funds, to pay the costs of refunding certain outstanding obligations of the Authority, to pay costs of issuance therefore and to effect certain amendments to the Trust Agreement.

All of the bonds are issued under and pursuant to a trust agreement (said agreement, together with all agreements supplemental thereto as therein permitted, being herein called the "Agreement"), dated as of the 1st day of February 1989, by and between the Authority and Bank of Oklahoma, National Association, in Oklahoma City, Oklahoma (said national bank and any bank, banking association or trust company becoming successor trustee under the Agreement being herein called the "Trustee"), an executed counterpart of which Agreement is on file at the principal corporate trust office of the Trustee. Reference is hereby made to the Agreement for the provisions, among others, with respect to the custody and application of the proceeds of bonds issued under the Agreement, the collection and disposition of revenues, the funds charged with and pledged to the payment of the interest on and the principal and premium, if any, of the bonds, the nature and extent of the security, the terms and conditions on which the bonds of each series are or may be issued, the rights, duties and obligations of the Authority, the Trustee and the Bond Registrar for the Series 2007A Bonds and the rights of the registered owners of the bonds and, by the acceptance of this bond the registered owner hereof assents to all of the provisions of the Agreement.

The Agreement provides for the issuance, from time to time, under the conditions, limitations and restrictions therein set forth, hereinafter for refunding purposes only, of bonds senior to the Series 2007A Bonds with respect to their lien on the tolls and other revenues of the

Oklahoma Turnpike System (as such term is defined in the Agreement), including any motor fuel excise taxes apportioned to the Authority as aforesaid, (such bonds being herein collectively called the "first senior bonds").

The Agreement also provides for the issuance, from time to time, under the conditions, limitations and restrictions therein set forth, of additional series of bonds and other indebtedness on a parity with the Series 2007A Bonds for the purposes authorized therein (such bonds, other indebtedness and the Series 2007A Bonds being herein collectively called the "bonds").

This bond is issued and the Agreement was made and entered into under and pursuant to the Constitution and laws of the State of Oklahoma, particularly Title 69, Oklahoma Statutes 2001 Sections 1701 through 1734, as amended, (herein called the "Enabling Act"), and under and pursuant to resolutions duly adopted by the Authority.

The Agreement, in accordance with and as required by the Enabling Act, provides for the fixing, revising, charging and collecting by the Authority of tolls for the use or services of the Oklahoma Turnpike System and the different parts and sections thereof and for revising such tolls from time to time in order that such tolls and other revenues will be sufficient to provide funds to pay the cost of maintaining, repairing and operating the Oklahoma Turnpike System and to pay the principal of and the interest on all bonds issued under the Agreement as the same shall become due and payable, and to create and maintain reserves for such purposes. The Agreement also provides for the deposit of a sufficient amount of such tolls and other revenues, over and above such cost of maintenance, repair and operation, and reserves for such purposes, and after making the required deposits to provide for the payment of the principal of and interest on all first senior bonds issued under the Agreement as the same become due and payable and the required reserves therefor, to the credit of a special account designated "Second Senior Bond Service Account" (herein called the "Second Senior Bond Service Account") to pay such principal and interest. The Second Senior Bond Service Account is pledged to and charged with the payment of the principal of and the interest on all bonds issued under the Agreement to the extent provided in the Agreement.

The Series 2007A Bonds are issuable as registered bonds without coupons in the denomination of \$5,000 or any whole multiple thereof. At the principal corporate trust office of the Bond Registrar, in the manner and subject to the limitations and conditions provided in the Agreement, Series 2007A Bonds may, upon presentation and surrender, be exchanged for an equal aggregate principal amount of second senior bonds of the same series and maturity, of authorized denominations and bearing interest at the same rate.

The transfer of this bond is registrable by the registered owner hereof in person or by his attorney or legal representative at the principal corporate trust office of the Bond Registrar by only in the manner and subject to the limitations and conditions provided in the Agreement and upon surrender and cancellation of this bond. Upon any such registration of transfer the Authority shall execute and the Bond Registrar shall authenticate and deliver in exchange for this bond a new bond or bonds registered in the name of the transferee, of authorized denominations, in an aggregate principal amount equal to the principal amount of this bond, of the same series and maturity and bearing interest at the same rate. Neither the Authority nor the Bond Registrar

shall be required to make any exchange or to register the transfer of any bond during the fifteen (15) days immediately preceding the date of the Authority's giving notice of redemption or after such bond has been selected for redemption.

The Series 2007A Bonds maturing on or after January 1, 2018, are subject to redemption prior to maturity as a whole or in part (in accordance with procedures of DTC, so long as DTC or Cede & Co., as its nominee, is the Owner, and otherwise by lot in such manner as the Trustee in its discretion deems proper), on any Business Day on or after January 1, 2017, subject to applicable notice, at a Redemption Price equal to the principal amount thereof, without premium, plus accrued interest up to but not including the redemption date.

The moneys in the Second Senior Bond Service Account available for the purchase or redemption of bonds shall be allocated to all series of bonds outstanding under the Agreement in the manner provided in the Agreement.

If less than all of the bonds of any one maturity of a series shall be called for redemption, the particular bonds or portions of bonds to be redeemed from such series and maturity shall be selected in such manner as the Trustee deems fair and appropriate as provided in the Agreement.

At least thirty (30) days before the redemption date of any Series 2007A Bonds, whether such redemption is in whole or in part, the Authority shall cause a notice of any such redemption signed to be mailed, first class, postage prepaid, to all registered owners of Series 2007A Bonds to be redeemed, but any defect in such notice or the failure so to mail any such notice to the registered owner of any bond shall not affect the validity of the proceedings for the redemption of any other bonds. On the date fixed for redemption, notice having been mailed in the manner provided in the Agreement, the Series 2007A Bonds or portions thereof called for redemption shall be due and payable at the redemption price provided therefor, plus accrued interest to such date. If a portion of this bonds shall be called for redemption a new Series 2007A Bond or Bonds in principal amount equal to the unredeemed portion hereof, of the same maturity and bearing interest at the same rate will be issued to the registered owner upon the surrender hereof.

The registered owner of this bond shall have no right to enforce the provisions of the Agreement or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Agreement, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Agreement.

In certain events, on the conditions, in the manner and with the effect set forth in the Agreement, the principal of all the bonds then outstanding under the Agreement may become or may be declared due and payable before the stated maturities thereof together with the interest accrued thereon.

Modifications or alterations of the Agreement or of any agreement supplemental thereto may be made by the Authority and the Trustee only to the extent and in the circumstances permitted by the Agreement.

This bond is issued with the intent that the laws of the State of Oklahoma shall govern its construction.

All acts, conditions and things required by the Constitution and laws of the State of Oklahoma and the by-laws of the Authority to happen, exist and be performed precedent to and in the issuance of this bond and the execution of the Agreement have happened, exist and have been performed as so required.

This bond shall not be valid or become obligatory for any purpose or be entitled to any benefit or security under the Agreement until it shall have been authenticated by the execution by the Bond Registrar of the certificate of authentication endorsed hereon.

WITNESS WHEREOF, Oklahoma Turnpike Authority has caused this bond to be executed by the manual signatures or to bear the facsimile signatures of the Chairman and the Assistant Secretary and Treasurer of the Authority, and the official seal of the Authority to be impressed hereon or a facsimile thereof to be printed hereon, all as of June 6, 2007.
